Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 20 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and cloudy.

Today:
Rather cloudy with mist and hill fog at first. The cloud lifting and skies brightening during the day with a little afternoon sunshine possible, this most likely through County Down. Patchy mist could continue to affect the north coast. Maximum temperature 13 deg C (55 deg F).

Tonight:
Low cloud with mist and drizzle at times during this evening. The cloud will thin and break overnight with a few frost and fog patches by dawn. Minimum temperature 2 deg C (36 deg F).

Sunday:
A dry and bright day with any mist and fog soon clearing. Occasional sunny spells and winds will be light. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Rather cloudy but mainly dry on Monday, the best of the brightness around the Irish Sea coast. Rain at times on Tuesday afternoon and mainly dry and bright on Wednesday.
